

# Investigation Summary Report

## Shute's Building Lagniappe Vape Shop Opelousas, La.

## HISTORY

This building is located in Opelousas, La. It is a beautiful, old building built in the 1924. It has housed many businesses over the years, some of those include a drug store, general merchandise store and barber shop, Currently it houses a beauty salon, vape shop, and smoke shop on the first level and empty rooms on the upper level. The vape shop, once a barber shop, was the last place Clyde Barrow (Bonnie and Clyde) got his last shave before being gunned down days later in North Louisiana. The basement area in the Smoke Shop led to an underground tunnel that was used during the prohibition days.

## CLAIMS

The owner claims only one occasion of activity. He was leaving the vape shop and felt a cold breeze pass him and hit the door. None of the employees have felt anything or seen activity while working there.

# Investigators Reports & Evidence

Location: Opelousas, La.

Date: November 21, 2020

Investigators: S.C. Group: Marci, Chance and Tricia. (New trainees: Stacey, Liz and Alonso)

Equipment used: digital voice recorders, wireless video cameras, Rem pods, K2 Meters, digital still camera, SLS cameras and hand help video camera.

The team then proceeded with our base line sweeps for EMF in all areas. While doing the walkthrough we also took pictures. After the walkthrough we proceeded to set up all equipment in all locations.

Several EVP sessions were done throughout the building that evening. There were several EVP's to report. EVP's: Rem Pod, growl, and k2 hitting. After reviewing the video from the wireless cameras we caught the rem pod going off on the audio.

The team did have several personal experiences while in the vape shop, one upstairs room, basement and the office that once housed the drug store. The upstairs room had several rem pod hits and sls camera caught a figure. Chance had his k2/temp meter go off a few times. He also caught a name on the ghost box "Nathan".

In the drug store office the team caught the rem pod going off 3 times, k2 hits to answer questions, and several knocks. Once the K2 hit and rem pod seconds after!

In the Vape Shop the team caught a growl. In the basement the team got a rem pod hit.

## CONCLUSION

Louisiana Spirits has pioneered so many reportedly active locations in the state. By not simply going off of haunted tales, we treat any historic location as the next potential haunting. In regards to this location we feel there is activity! Therefore, we believe that a follow up investigation will need to be conducted. We are very grateful to the owner for allowing us to investigate this beautiful location.
