

# Investigation Summary Report

## Acadian Village Lafayette, La.

## HISTORY

The Village is located on the 32-acres in Lafayette. In the early 1970s, officials were looking for an opportunity to improve tourism in Lafayette, Louisiana. In order to recreate a typical 1800s Cajun village, the design team had to transform 10 acres of farmland into a shaded community with a bayou running through it. Seven of the eleven buildings are authentic homes of the 19th century, donated by the families whose ancestors once occupied them.
