Investigators Reports

Location: Private Home Opelousas, LA.

Date: December 5, 2020

Investigators: Chance, Stacey, Alonso, Denise

Equipment used: digital voice recorders, wireless cameras, Rem pods, K 2 Meters, digital still camera, SLS camera and Spirit box.

We proceeded with our base line sweeps for EMF in all areas of the house. While doing the walkthrough we also took pictures. After the walkthrough we proceeded to set up all equipment in the house.

Team had several hits on the K2/Mel Meter while asking questions. We caught the door to the child's bedroom close after a team member left the room. No one was near the door and owner states the doors are all level and never close on their own. Door was tested throughout the night and never shut on its own again.

Wireless Camera: Door shutting in child's bedroom

CONCLUSION

Louisiana Spirits has pioneered so many reportedly active locations in the state. By not simply going off of haunted tales, we treat any location as the next potential haunting. In some cases, we walk out empty-handed, other times we don't.

In regards to this private home, we strongly feel activity is prevalent here and we believe that with the help of a follow-up investigation, we will be able to get more evidence!
